

Anh Phuong Nguyen

(Alex Nguyen)

Overview

Dynamic Interactive Media Design professional blending technical web development knowledge with advanced proficiency in the Adobe Creative Suite. Leverages a background in product operations and education to understand user needs, manage creative projects from concept to launch, and communicate effectively with stakeholders. Passionate about creating visually compelling print, motion, and digital assets, with hands-on experience in full-stack development (Vue.js, Node.js, PHP) and comprehensive brand design

Skills

Skills

- Cross-Functional Collaboration
- Technical & Non-Technical Communication
- Quality Assurance & Attention to Detail
- Project & Time Management

Fun Fact

I used to have a pet Gecko, and named it Gekko, based on my favourite agent on the game Valorant.
